COURT BAILIFF

To: Steve Ables, Presiding Administrative Judge

From: Angie Juarez Barill, 346th District Court *AJB*Re: MOTION RE: EXPUNCTION OF RECORDS
Cause No. 2008-1016

Date: May 5, 2008

The above referenced case was set on my docket as an Expunction case last week on Wednesday, April 30, 2008. That morning before the hearing, Mr. Spencer filed with the court a response to the petition and requested that we wait for him or reschedule because he was in trial that morning. As a courtesy to Mr. Spencer, this case was reset to May 7, 2008.

However, in examining the pleadings in this case, this is not an Expunction, but rather this case deals with campaign accusations that arose regarding an elected official here in our county, and the candidate in that county race. Therefore, because of the nature of the case, I am referring this case to you as the Presiding Administrative Judge of our region.

I have attached all pleadings on file on this case for your review. If you have any questions or comments, please do not hesitate to call. Thank you.
